### 鲍默住宅

设计 / Corinne Brown 翻译 / 蒋海燕

该度假山庄的位置正好位于滑雪道的底部，专为年轻的家庭打造。业主想要一个温暖而舒适的环境来享受他们的冬日假期。高雅的胡桃实木地板、门以及托梁与石墙、壁炉的组合，为我们精心搭配的家私营造了一个优雅的乡土背景。光与影的相互交错重叠在绿色、铁锈色、红色和棕色等暖色调上，整个房间显得惬意而又不惧严寒。

项目的面积5000平方英尺，里面却设置有七个卧室，另外图书室、家庭影院、SPA室以及台球室等应有尽有。面积比之前类似功能空间足足少了2000平方英尺。似乎占地面积较小的住宅更能满足更多客户的需求，因为他们更注重的是房子的舒适度，而不是其外在的形式，这也是一种新趋势。

每个空间都保持着一种个性，通过每个独特布置的灯光效果来予以凸显。大部分灯具比例都较大，使得房子给人的感觉更大。整个空间里的一切都是围绕着打造一个温暖的环境使业主能更好的享受严冬假日的主题来进行的。业主希望我们能为他营造一种从打开门的那刻起就能感受到的传统而温暖的家的感觉。也许他们也曾羡慕过杂志上的潮流趋势设计，但一旦真正轮到他们为自己的家做选择时，他们又更倾向于选择一个能让自己从心底感觉到舒适和快乐的家。

This is a vacation home, located just off the ski runs, for a very young family. The clients specifically wanted a warm and cozy environment to best enjoy their winter visits. The rich walnut floors, doors and trim, combine with the rock walls and fireplaces to create an elegantly rustic backdrop for the carefully chosen furnishings and accents. An interplay of light and dark, overlaid with the warm tones of green, rust, red and brown throughout the rooms keep the home cozy and welcoming for the snowy winters.

Although this 5,000 sq. ft. home has seven bedrooms along with a library, media room, spa area and billiard room, the house is about 2,000 sq. ft. less in size than homes I have designed with similar features in the past. I am finding that the square footage of each room in recently designed homes is shrinking but that we are able to include all of the luxury features that clients still desire. Admittedly, while a 5,000 sq. ft. home is not small, this new trend towards a smaller footprint does seem to fit with many of my client's desire to enjoy a second home in a more livable and less ostentatious manner.

Each room and area in the house maintains a personality that has been enhanced by the placement of unique light fixtures. In most cases, the light fixtures are large in scale, which balances the strong architectural details of the house and allows the house to feel bigger than its 5,000 square feet. Everything about this house is warm and welcoming to best enjoy a snowy, wintry vacation. Clients that choose to work with our firm express a wish for traditional and warm interiors that they can feel at home in the moment they walk through the door. While they may admire cutting edge design and stark, trendy features seen in magazines, when it comes right down to it, their choices always come back home to what makes them feel most comfortable and happy in real life.
